HAZEL ORTEGA is a MASTER OF MIRACLES and a serial entrepreneur with multi-million dollar businesses. In her book, From Bounced Checks to Private Jets, the Mastery of Miracles, Hazel shares her story of growing up in the ghetto and overcoming many obstacles to create a miraculous life for herself and her family. Hazel is an Educational Psychologist specializing in Vocational Rehabilitation. Hazel was born in East Los Angeles, California and raised in downtown L.A. in a 60-unit apartment sleeping four to a room and barely scraping by, Hazel lived in fear. Drive-by shootings, gangs, and rats were all part of Hazel's life. She lived confined by her story, her reality, her past. It wasn't until she was able to see how her story shaped her life that she realized the power she has, and we all have, in manifesting the life you want.

“What a gift! Hazel shares her story, and also how she created and continues to create a life she wants. This book left me in a state of joy and wonder...what life am I going to create? The possibilities are infinite. I loved every bit.
